There's no business like show business. Get an inside look at **Shadowland Theatre**, led behind the scenes by producing artistic director Brendan Burke. Dedicated to high-quality, professionally produced plays and musicals, **Shadowland** performs in its own building, which first opened in 1920 as an art-deco movie and vaudeville house. Substantial renovations in recent years have completely rebuilt the interior of the old theatre, retaining the art-deco features while creating a tiered, 148 seat, intimate semi-thrust stage.

When December Luncheon sponsor **Ellenville Regional Hospital** opened its doors 68 years ago, it was staffed by a handful of dedicated, caring individuals whose main objective was to provide medical services to those in need. The hospital itself was made possible by members of the community who wished to help provide these services to local residents. The Hospital has come along way in size, services and equipment from its beginning; it has not lost its dedication to the needs of the community members. It stands ready to serve at any time and in whatever capacity is necessary to continue its mission of providing the finest possible care for the community. **Ellenville Regional Hospital** is
