The Chamber's business card exchanges are offered quarterly, and this fall's event is the perfect way to invigorate your business and connect with other business leaders in the area. In 1988, Wireless Zone founder Russ Weldon started "The Car Phone Store" in Wethersfield, CT. At that time, few people knew what cellular was, and a stand-alone wireless store was truly a unique idea. Developing a franchising model made it possible to find owner-operators with a vested interest in the success of their locations, who would get involved in the community. The company became Wireless Zone in 1999. Today, Wireless Zone sells all the latest cellular/wireless phones, GPS navigation, wireless accessories, Verizon FIOS High Speed Fiber Optic Network, Wireless Data Devices, pre-paid cellular services and DIGO, Wireless Zone's exclusive VOIP network. Wireless Zone, New Paltz is owned and operated by Brian Hons.
