

Rondout Savings Bank's 150 Ways of Giving Starts Off with Success

KINGSTON, NY, February 28, 2018

In celebration of a century and a half of philanthropy and service, Rondout Savings Bank kicks off their 150th year celebration with a Calendar of Giving. Rondout Savings Bank has already begun to highlight their 150 Ways of Giving fostering community engagement and giving financial support to local organizations. A different organization will be featured each month, keeping the spirit of fueling philanthropy alive all year long. This momentous year will include many events recognizing and thanking the community.

The month of January featured the Ulster County SPCA as the benefactor of the community's generosity. Rondout Savings Bank had collection boxes in each of their five branches, collecting bags and cans of dog food and cat food to help feed the UCSPCA's residents. As the UCSPCA does not receive any funding other than what they receive as donations, this was a very important collection.

On February 14th, the bank dropped off their collected items to the shelter on Wiedy Road in Kingston—a total of 162 bags and cans of food!

About Rondout Savings Bank:

Established in 1868, Rondout Savings Bank is a state-chartered, mutual banking and financial services provider headquartered in Kingston, New York. Rondout Savings Bank has five locations in Kingston, West Hurley, and Hyde Park, and operates divisions in asset management, personal banking, and business banking. Rondout Savings Bank is consistently recognized by BauerFinancial, Inc. with the 5-Star Superior Quality Rating. This rating is only awarded to 10% of the financial service institutions in the country and distinguishes Rondout Savings Bank as one of the strongest banking institutions in the country. Rondout Savings Bank's Vision is to be the leading and most trusted provider of Business Banking and Retail Financial Services in our markets, by delivering total client satisfaction.
